Also, in house production of the same is not financially viable since it will have huge capital expenses. The Company is thus vulnerable to Ethylene Oxide price volatility which in turn is affected by the crude oil prices. Another risk factor which the Company currently facing is the ever increasing energy prices and shipping freight costs thereby affecting the company's bottom line. The Company has developed various products to meet the dynamic demands from different sectors which has been put to various different uses. In house Research and Development facility and adoption of latest technological changes have helped in introducing new speciality custom made products having better margins. Diversification brings in opportunities but also puts pressure on human resource to satisfy the everchanging needs of customers. The Chemical sector has now moved from commodity based (sourcing of raw/refined chemicals) to need based manufactured products as per needs and high emphasis is placed on the product development, acquiring new technology and improving production facilities. For credit risk the management is careful in its credit policy towards its customers in domestic market and for exports its either advance payment or letter of credit. Your Company has a Brand Name in the chemical industry and has the advantage of deeper penetration in the market and recognition amongst its peers. Also, due to timely expansion of product facilities and capacities, upgradation of its Multi-product plant resulted in seizing more opportunities which has reflected in better turnover of the Company sadaptability to new product development has resulted in achieving higher sales during the year under review. - 3. If the depositor is not liable to pay income tax and the interest to be paid/credited in a financial year does not exceed the applicable threshold limit which is chargeable to income tax, the depositor may submit a declaration in Form No. 15G/15H at the time of placement of Deposit & for every Financial Year thereafter during the tenor of the FD, so that income tax is not deducted at source. If depositor fails to submit 15G/15H as applicable, interest will be liable to TDS. Form 15G/15H for every Financial Year during the tenor of the Deposit should be submitted within 15 days of commencement of the respective Financial Year.
- TDS once deducted shall not be adjusted even if Form 15G/15H is submitted later.

## V. JOINT DEPOSITS

- Joint Deposits may be made in two or three names, subject to the condition that they all are members of the Company.
- In case of joint Deposits, all correspondence will be addressed only to the First Applicant. All payment of interest and repayment of principal amount will be in favour of the First Applicant. Request for discharge of deposit is required to be signed by all applicants.
- In the event of the death of the First Applicant the payment of interest and the repayment of the principal amount will be made to the person in order of the survivor(s) on production of a death certificate without reference to the heir(s) and / or legal representative(s) of the deceased.

## VI. DEPOSIT RECEIPTS

- 1. The Fixed Deposit Receipt will be issued in physical form only.
- The Deposit Receipt, will be forwarded to the Sole/First applicant at the correspondence address given in the Application Form within a period of twenty one days from the date of receipt of money or realisation of cheque or date of renewal of deposit, provided renewal request is received by us atleast fifteen days in advance.
- Deposit Receipts are not transferable.
- The Company will not recognize or accept any lien or assignment of Deposit or interest thereon.
