INDEPENDENT AUDITOR'S REPORT

To
The Shareholder
AMINES AND PLASTICIZERS FZE
RAK ECONOMIC ZONE
RAS AL KHAIMAH - U.A.E

Report on the Audit of the Financial Statement

Opinion

We have audited the financial statements of AMINES AND PLASTICIZERS FZE (the "Free Zone Establishment"), which comprise the statement of financial position as at 31 March 2019 and the statements of comprehensive income, changes in equity and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of **AMINES AND PLASTICIZERS FZE** as at 31 March 2019 and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Establishment in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA) Code and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

Without qualifying the report, we would like to draw the attention that the establishment has registered a deficit equity of Dhs. 46,704/- which is due to the continues accumulated losses. These condition raise doubts whether the Establishment will be able to continue as a going concern. However, these financial statement are prepared on a going concern basis and do not include any adjustment relating to recoverability and classification of recorded assets and liabilities that might be necessary should the establishment be unable to continue as going concern, as the shareholders have resolved to provide such financial support as may be required to enable the establishment to meet its debts and obligation as they fall due.

Responsibilities of the Management and the Board of Directors for the financial statements

The Management and the Board of Directors are responsible for the preparation of financial statements that give a true and fair view in accordance with International Financial Reporting Standards issued by the IASB, and for such internal control as the Board of Directors determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management and the Board of Directors are responsible for assessing the Establishment's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Establishment or to cease operations, or has no realistic alternative but to do so. The Management and the Board of Directors are responsible for overseeing the Establishment's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Report on the Audit of the Financial Statements (continued)

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Establishment's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and the Board of Directors.
- Conclude on the appropriateness of the Management and the Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Establishment's ability to continue as a going concern. If we conclude that a material uncertainty exists; we are required to draw the attention in our auditor's report the related disclosures in the financial statements, or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Establishment to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves a true and fair view.

We communicate with those charged with governance regarding, other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in the internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

We also confirm that, in our opinion, the financial statements include in all material respects, the applicable requirements of the Ras Al Khaimah Economic Zone (RAKEZ), under decree (2) of 2017 and the articles of association of the Establishment; proper books of account have been kept by the Company and the contents of the report of the Board of Directors relating to these financial statement are consistent with the books of account. We have obtained all the information and explanations which we required for the purpose of our audit and, to the best of our knowledge and belief, no violation of the Ras Al Khaimah Economic Zone (RAKEZ), under decree (2) of 2017 or of the article of association of the Company have occurred during the year which would have a material effect on the business of the Company or on its financial position

Notes 1 to 11 to the financial statements form an integral part of our report.
